

Little Lambs I July 2010 Newsletter

4th of July!

Summer is finally here! With the coming of summer and the 4th of July holiday we remember our troops overseas. We will keep them in our prayers.

We had lots of fun last month exploring the wonders of the ocean. We read lots of fun stories about the ocean and the animals that live in it. We even had the opportunity to have real sand and sea shells in our classroom!

With the start of summer comes a wide variety of fun outdoor activities, like camping! This month we will be exploring all aspects of camping. We will look at the places we go camping, (like the lake) and the fun things we do while camping (like fishing and picnics). What would camping be without, you guessed it, s'mores! We will also be experimenting with marshmallows and how it feels to squeeze and squish them between our fingers!

Welcome to Cole Kahaloa who is joining us from the Little Angels class.

We will be saying goodbye to McKenzie Gallagher who is moving up to the Little Lambs II class. Way to grow!

We want to remind you that the children have water days on Mondays and Tuesdays each week. Children must have water shoes, a bathing suit, and towel to participate. Please remember to bring in sunscreen. A can of spray and a stick are the best.

We will be closed Monday, July 5th in honor of the 4th of July holiday.

Good-bye to Miss Rachel S. who will be moving away. We wish her many blessings on her new journey.

We welcome Miss Sarah B. who has over six years of toddler teaching experience. We're excited to get to know you better!

In Christ,
Miss Rachel S., Miss Heather G.,
Miss Nicole, and Miss Sarah B.

Philippians 4:13

I can do all things through Christ Jesus who strengthens me.
